

APS Special Interest Group

Thursday 4th February 2010

Infor Offices, Blythe Valley Park

Programme

Start time 10:00 for 10:30

Item	Content
1	Chairman's introduction – Graham Little
2	Introduction to APS – Trevor Palmer (Infor) <ul style="list-style-type: none"> - Basic concepts about APS are revisited and for the benefit of all users; from people thinking of migrating from using MRP, to users who have been using it for a while.
3	A day in the life of a Renishaw Planner – Darren Chandler (Renishaw) <ul style="list-style-type: none"> - The story of how one company is using APS to drive its manufacturing business, admittedly a more advanced user of the system, but with lots of ideas that you could pick up and use yourselves.
4	Lunch and Networking
5	APS enhancements in version 8 – Trevor Palmer <ul style="list-style-type: none"> - With version 8.0 and more so with version 8.1, Infor have invested considerable resource in developing new APS features. This session will explain what these are and how they could benefit your company whether you are thinking of upgrading in the future or have already done so and want to get the best out of your system.
6	Discussion and consideration for the future - Led by Graham Little assisted by any present committee members. <ul style="list-style-type: none"> - Although there should be a chance for questions and discussion within each of the previous sessions, this is your chance to raise any remaining issues with the group. It will also be the opportunity for us to decide how we wish this SIG to develop.

Allowing 60 minutes for lunch and networking, the programme will last around 4+ hours with a chance of a final network session at the end closing the day around 15:00 hrs

Please advise the APS SIG Chairman Graham Little, graham.little@renishaw.com whether your company will be participating at this event or not and how many will be attending, you are welcome to bring more than one person. Also please add any ideas that you would like to be discussed on the day.
