About us

We are an independent forum of business users for the discussion, knowledge sharing and coordination of requirements for SyteLine ERP from Infor.

Benefits

- **Larger Conference Events**
 - User Stories, How to use, Golden Nuggets, Focus Sessions
- **Special Interest Groups (SIGs)**
 - Linked by Industry, Application Users, Departmental, IT etc
- **Structured Networking Groups (SNUGs)**
 - More informal version of SIGs with less formal presentations and more networking
- **Webexes**
 - Take part in educational, interactive webexes from the comfort of your own desk
- **Product Enhancement Process**
 - Access to Infor Product Management
 - Ability to influence future product enhancement priorities
- **Peer Networking**
 - Meeting other SyteLine Business Users
 - Forum via Linked In
- **Associated Product Presentations**
 - 3rd Party Application and Service providers
 - Finance offerings and Special terms for members
- **Website and Member Links**
 - Exclusive Member's Zone – network with fellow members
- **Product Training**
 - Delegate Days run by Infor Product Specialists, organised by the User Group
 - Subsidised cost to members

Membership Fees

User Company	£385
Consultant Individual	£385
Partner Company	£641

- User or Partner membership is for the company and not for the individual thus any number of colleagues may be part of the User Group on a single membership
- Consultant and Partner memberships include a link to their own website from the SyteLine User Group website

2017 Events

- **Spring Conference**
Wednesday 17th May
Infor Offices, Solihull
- **Finance**
SIG/Webinar
- **Technical**
SIG/Webinar
- **Manufacturing**
SIG/Webinar
- **Webex – Gilberts' use of Configurator**
- **Autumn Conference**

Try before you buy!

We invite you to attend one of our events to sample the User Group before committing to join.¹

¹ This offer applies to User Companies only.
